SHORT SYNOPSIS (111 words)

In this quirky romance, Jeff and Peter live together, but their characters are worlds apart. Jeff is a messy, hippy musician, while Peter is a tidy, almost obsessive, office worker.

As a couple, they struggle for connection. While Peter finds pleasure in the steamy solitude of the shower, Jeff explores his sensual delights in an imaginary world of exotic dreams.

Their day leads them on unusual journeys with amusing consequences, drawing them towards a moment of truth.

Terrific Australian music accentuates the characters' emotional journeys.

Peter is played by Luke David Mitchell (likened to James Dean with his smouldering looks and delivery). Brisbane's top drag queen, Wanda d'Parke plays the Landlord.
